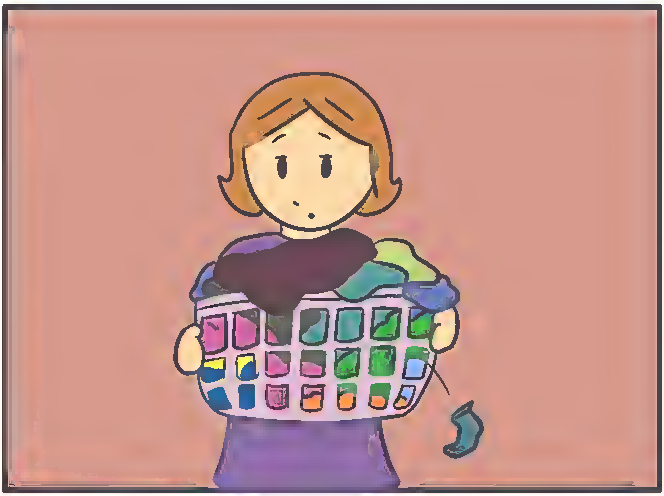
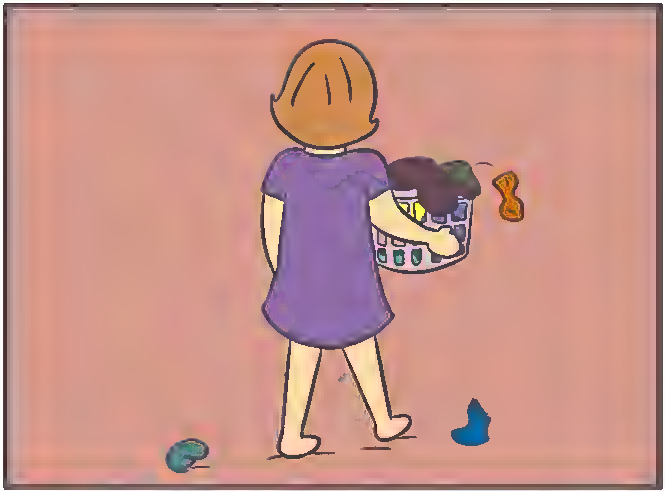
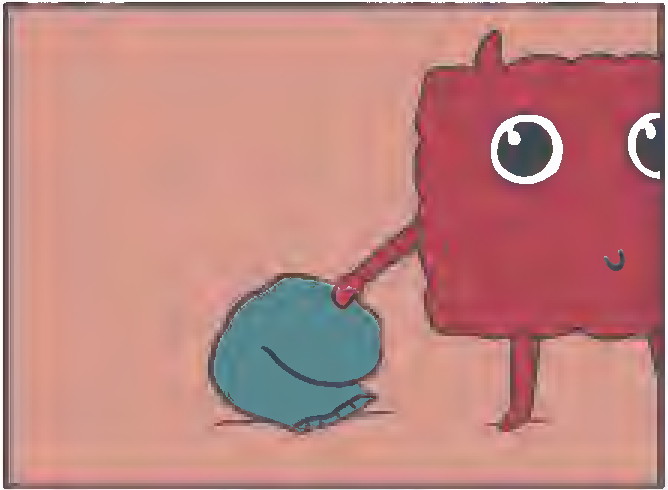
More annoying things

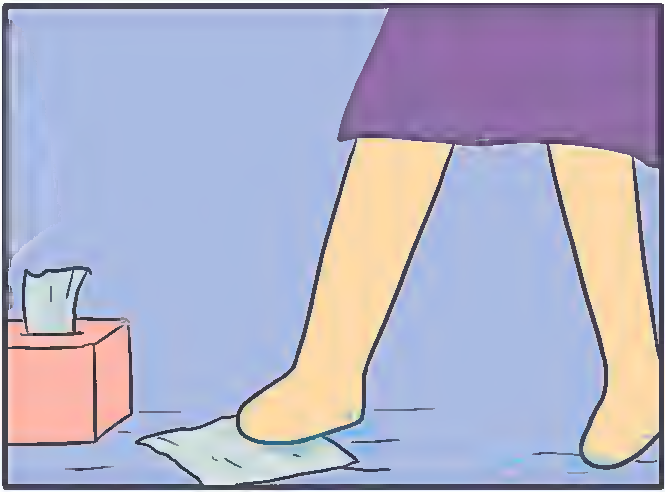
Socks always falling out
of the laundry basket.





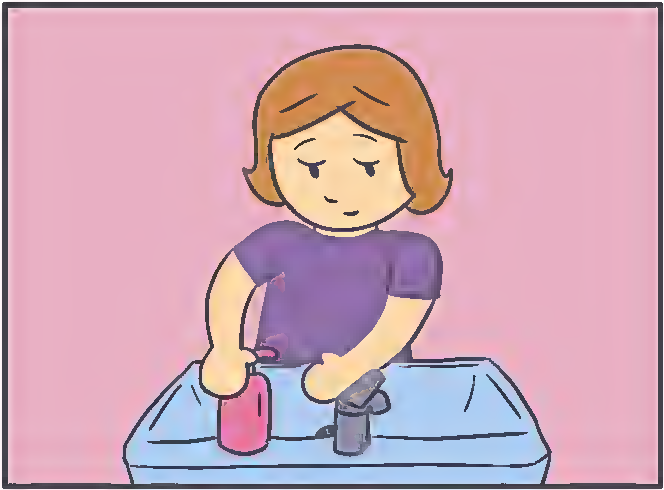


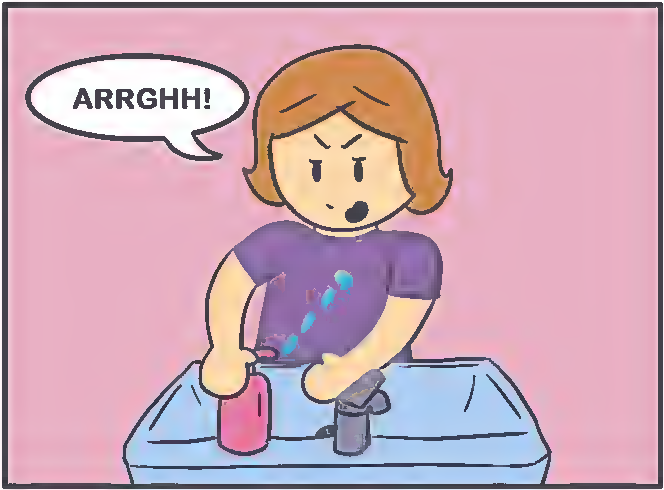
Stepping on a tissue
with wet feet.



Get off!

Pump soap hitting
clothes instead of hands.

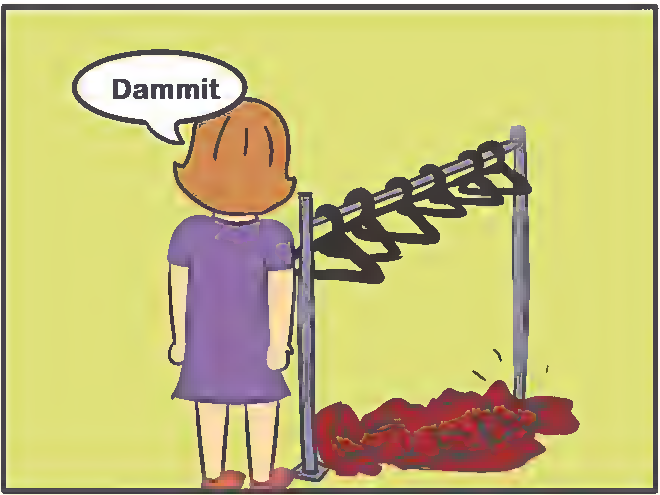




ARRGHH!

Clothes always falling
off hangers in stores.

Oooo nice!



Dammit

When your trickster monster

friend is trying to feed your

ghost best friend's

exboyfriend to the

water ghost in

the river...

Hey stop! He is a jerk but you shouldn't kill him!

Ahhh!!!
